Once you have decided to enrol on one of our courses or become an exclusive 1:1 client with Nicola Paull, there is no need to worry about paying in full, if finances are limited we will offer you affordable monthly payment plans.

This is how it works, choose your professional course, or your exclusive 1:1 programme option, click on Purchase Now link on the course page or programme section, select the payment plan option and complete payment, once we have received the correct information from you, please allow up to 3 working days for your order to be completed, then you are ready to start immediately, payments will be deducted on the same day of each month, so you can just focus on learning or our mentoring service.

Is there an option for refunds on the payment plans?

Unfortunately, we are unable to refund on the payment plans. The reason why is that all of our content is digitally resourced and cannot be returned.

What happens if I miss a payment?

We have a payment system which will automatically bill your account on the same day of each month, this will be based on your enrolment date. If your payment has not been received by us then your course/ exclusive 1:1 programme section will be temporary paused, we will then let you know that in 15 days we will attempt to receive your course/ exclusive 1:1 programme payment again, if we have still not been able to receive the monthly amount, then, unfortunately, we will cancel your enrolment and you will have to re-enrol. As long as the payment has been made within the 15 days then your course/ exclusive 1:1 programme will resume as usual. Just to remember if your financial circumstances do change during your payment plan, please contact us as soon as possible, even though we do not offer refunds for payments already made, we will make sure you do not get billed for future payments.
